Re: Harold D. Thompson Regional Water Reclamation Facility (HDTRWRF)
Lower Fountain Metropolitan Sewage Disposal District (LFMSDD)

Dear Wes:

Reference is made to your shop submittal identified as follows:

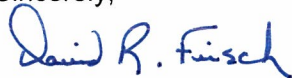

Submittal No.:	13121-005A
Date of Submittal:	July 23, 2012
Title:	Operations Building: Anchor Rod Plans-Made on 6/19/12 – Anchor Bolt Pages A-1 & A-2 Revisions
Specification Section:	13121 – Prefabricated Metal Building
Manufacturer:	Chief Industries, Inc.

The referenced submittal has been stamped "**No Exception Taken**" and "**Make Corrections Noted**".
Our comments are as follows:

1. This submittal has been modified from 13121-006 as submitted to 13121-**005A**, as it is a revision to the prior anchor rod submittal for the Operations Building. The subject line indicates it is a revision to the submittal made on 7/19/12. The original submittal was made 6/19/12. Please modify your submittal log and records accordingly.
2. Sheet A1 of A4
 - a. The north wall of the proposed Operations Building is shown to be 51'-0½". This wall is not yet poured and it appears this dimension reflects an as-constructed dimension. The design dimension is 51'-0". Please coordinate as-constructed dimensioning with the Contractor.

Please call if you should have any questions.

Sincerely,

David R. Frisch, P.L.S.

DRF/kmw
