Re: Harold D. Thompson Regional Water Reclamation Facility (HDTRWRF)
Lower Fountain Metropolitan Sewage Disposal District (LFMSDD)

Dear Wes:

Reference is made to your shop submittal identified as follows:

Submittal No.:	15400-010A
Date of Submittal:	March 6, 2013
Title:	Biosolids Building Drain Package Resubmittal
Specification Section:	15400
Manufacturers:	Jay R. Smith Mfg. Co., a Div. of Smith Industries, Inc.; Hubbell

The referenced submittal has been stamped "**Make Corrections Noted**". Our comments are as follows:

1. No additional information or resubmittal is required for any of these items.
2. Regarding the submitted trench drain, the grating data sheet recommends the use of grating locking device part no. DA0642B. However, that option has not been selected on the trench drain data sheet. Please provide the recommended locking device for each grating panel.

Please call if you should have any questions.

Sincerely,

Mark A. Morton, P.E.
