Re: Harold D. Thompson Regional Water Reclamation Facility (HDTRWRF)  
Lower Fountain Metropolitan Sewage Disposal District (LFMSDD)

Dear Wes:

Reference is made to your shop submittal identified as follows:

Submittal No.:	03200-010A
Date of Submittal:	September 13, 2011
Title:	Rebar for Drilled Piers at Clarifier Manholes per ESI No. 8
Specification Section:	03200 and ESI No. 8
Manufacturer:	Dalco Industries, Inc.

The referenced submittal has been stamped "**No Exception Taken**". Our comments are as follows:

1. The shop submittal includes a handwritten page titled, "#10082HDTWWTP, 1 OF 1, MAINT. SLAB (UNIT PRICE)". The page continues to reference 100 #6 Formsavers. We question if this page is to be included as part of this shop submittal, or if it was mistakenly included. This page was not part of the original submittal. Please clarify.

Please call if you should have any questions.

Sincerely,

David R. Frisch, P.L.S.

DRF/kmw
