Re: Harold D. Thompson Regional Water Reclamation Facility (HDTRWRF)
Lower Fountain Metropolitan Sewage Disposal District (LFMSDD)

Dear Wes:

Reference is made to your shop submittal identified as follows:

Submittal No.:	05500-024
Date of Submittal:	March 11, 2013
Title:	Miscellaneous Metals at Biosolids Handling Building
Specification Section:	05500
Manufacturer:	Critical Path Metalworks, Inc.

The referenced submittal has been stamped "**No Exception Taken**". Our comments are as follows:

1. As noted on the shop submittal, we request that all dimensions be field verified during installation.
2. The shop submittal does not address the 3/8-inch thick face plate on the westerly end of each set of stringers for use in connecting the alternating stair assembly.
3. Please confirm the alternating tread stairs, when placed at the correct location, will be mounted at a 68° angle from the finished floor.

Please call if you should have any questions.

Sincerely,

David R. Frisch, P.L.S.

DRF/kmw
