Re: Harold D. Thompson Regional Water Reclamation Facility (HDTRWRF)
Lower Fountain Metropolitan Sewage Disposal District (LFMSDD)

Dear Wes:

Reference is made to your shop submittal identified as follows:

Submittal No.:	08301-007
Date of Submittal:	February 15, 2013
Title:	Overhead Doors for Biosolids Building
Specification Section:	08301
Manufacturer:	Raynor

The referenced submittal has been stamped "**No Exception Taken**" and "**Make Corrections Noted**".
Our comments are as follows:

1. We take no exception to the Raynor ThermaSeal™ Optima series door.
2. In accordance with project specification Section 08301, Paragraph 2.1.B.9., no reference is made to the door being equipped with a manual operator in addition to an interior pull rope or chain. We request this be included as a part of the door submittal. This has been a requirement on the other overhead doors. **Make Correction Noted**

Please call if you should have any questions.

Sincerely,

David R. Frisch, P.L.S.

DRF/kmw
